Cruise Liverpool Workplace Visit

On Friday 20th January 2023 ten Year 11 students had the opportunity of visiting Liverpool Cruise Terminal at Princes Parade in Liverpool. The students were able to talk to staff who work on the Cruise terminal and learnt about the different roles ranging from the Captain, Doctors, Rope Handlers, Chef, Volunteers, Ambassadors, Security staff and other ground staff and their job roles. The visit was a huge success and many thanks to the staff of the **MS Borealis maiden voyage, Melissa Carragher, Julie Jones, Terminal staff**, and not forgetting the **students** who represented Harmonize Academy with pride. A wonderful experience.
