

Career Connect Careers Event at Harmonize Academy, January 2020

Our annual careers event organised by Career Connect was a great opportunity for our Year 11 students to find out more about the options open to them when they leave Harmonize Academy this summer. Local colleges, apprenticeships providers and employers from across Merseyside took part in this event. Students asked questions and found out useful information about the various progression options available to help them decide on the right choice for them.

The event was a great success with regular and new exhibitors attending this year showing the diversity of training and employment options. The feedback from students and providers was very positive. Harmonize Academy has a commitment to ensuring our students receive ongoing professional advice with their post year 11 options. Impartial Careers information, advice and guidance from Career Connect is available on a weekly basis at Harmonize Academy and provides individual guidance and advocacy to support transitions.

The representatives gave very positive feedback on the school environment as well as the students' motivation during the event and would welcome involvement in the future.

We were delighted to welcome the following exhibitors to our careers event:

- The Army Careers
- City of Liverpool College
- FEFA Robbie Fowler Academy
- Hugh Baird College
- The Learning Foundry
- LIPA
- Liverpool City Region Apprenticeship Hub
- Liverpool Football College
- MODE Training
- Myerscough College
- North West Ambulance Service
- NWCS
