Consent form for using LHET governor's data and images

Dear LHET Governor

The personal data that we may collect, use, store and share (when appropriate) includes but is not restricted to the following:

1. Your name and contact details, date of birth, marital status, gender, next of kin and emergency contact numbers. We may also collect recruitment information, references and other information included in a CV or cover letter or as part of the governor application process.
2. We may collect bank account details for purposes of paying governor expenses.
3. Governance training records are held.

We may also collect, store and use information about you that falls into 'special categories' of more sensitive personal data. This could include information about racial or ethnic origin, religious or similar philosophical beliefs, sexual orientation, Trade Union membership, political opinions, physical or mental health (including medical conditions), and personal data relating to criminal offences and convictions.

The purpose of processing this data is to help us to run the school. This enables the Academy to pay expenses to governors and facilitates safe recruitment, as part of our safeguarding obligations towards pupils, informing our recruitment and retention policies.

We would like to seek your consent for some of the ways we collect and use your data including your photo. Using your photo helps us to show members of the school community who governs Harmonize Academy.
