

### Summary Report November 2024

Assistant Principal, Mr Karo Onowighose was successful with an application to the UK-German Connection which qualified him to visit a local German school during the half term (26<sup>th</sup> October - 1<sup>st</sup> November 2024) under the **Professional Enrichment Programme scheme**. The name of the school he visited was (**Real Schule auf dem Röddenberg**) located in **OSTERODE am Harz**. The visit was successful because of the following reasons.

It created an opportunity for building international relationships with teachers, sharing good practice, language skills exchange, careers network link, insight into the German School system and an avenue for discussing educational issues between the two schools.

Karo shared a selection of photographs from his trip:
