

FEEDBACK FROM YEAR 11 - 2019

September 2019

Have you been happy at Harmonize Academy? Why?

- They've helped me so much and I never thought I would be able to do my GCSE's but they believed in me and helped me work towards them and do them. I made friends and the teachers are lovely and very supportive
- They've supported me through more than I can even say, I've actually managed to do my GCSES and I never thought I would. The teachers are amazing
- Because I have become more confident in myself
- I feel welcome by everyone and the teachers are very caring and I have learnt more
- I enjoy everyday waking up coming to this school.
- Because its been a fresh start for me and the support you get is unreal
- Because I don't like being around people, it makes me anxious.

Can you say why you have felt safe at Harmonize Academy?

- Because the teachers are here for you whenever you need them and they look out for you.
- Because its a safe environment.
- Yes because they have come up with a new system lockdown.
- Because the teachers are always there when you need help. NO MATTER WHAT.
- No harm will come to us here all the staff are alert at all times
- I felt safe because you cant get through the office
- Good pastoral care

Do you feel you have made progress here?

- I was out of school for nearly 3 years and within being in this school since September I've managed to attend most of my lessons and achieve good scores in my mocks and hopefully achieve good ones in my exams
- I was out of school for 3 years and I never thought I would be able to sit my exams but harmonize has helped me achieve distinctions and grades 4-5
- I didn't have a set mind when I first came now I work hard and try my best to achieve
- Because I have progressed in my performing art drama and singing
- My last school I didn't really learn as much as I did in harmonize
- Better working environment
- They support me with all my needs
- I did not know any education before I came to this school.
- Before starting here I didn't think I was going to college or getting any GCSEs, starting here I'm predicted to achieve all me GCSEs and have a place in LIPA sixthform.
- Never used to do work at holly lodge or ever come in
- I used to struggle in Maths and English now I have improved dramatically in both subjects
- The teachers have helped me so much and helped me get better at things I didn't even think I would be able to
- Because of the small classes and good teachers
